The Field Education Mentor rate is published each year on the [Tuition and Fees](#) page of the PSR website. Tuition rate is per course for up to 6 units per semester, both for credit and auditing. Please visit the PSR website at [www.psr.edu](http://www.psr.edu) regarding deadlines for adding, dropping, changing courses, and tuition refund schedules. All general PSR student policies and deadlines apply to Field Education Mentors who register for courses. The Field Education Mentor rate applies to only GTU consortium classes in fall and spring; it does not apply to Summer Session or cross-registered classes.
