### CERTIFICATE IN THEOLOGICAL EDUCATION FOR LEADERSHIP

Our next offering is the yearlong **Certificate in Theological Education for Leadership (CTEL)** program. This well-received series has been revitalized to bring even more thoughtful and powerful examination of the ways that Christian teachings, sacred text, and prophetic witness can be brought to the issues calling for Love and Justice in our world today.

Completion of the **Certificate in Theological Education for Leadership** requires participation in:

**one Orientation session, two Seminar sessions, and eleven (11) Courses:**

- Each **Course** meets for 2 sessions, 3 hours each, with some reading and online work between sessions.
- **Seminars** meet once only for 3 hours and may require some reading before the session begins.
- The **Orientation** session launches the certificate program and meets for 1.5-2 hours, as a way of meeting the TEL staff, answering your questions, and becoming familiar with technologies used and support resources available to you.
